

### Local School Classroom Donation Ministry Plan

#### Idea

As part of our Orthodox Christian commitment to serve and uplift our community, this ministry aims to support local schools by donating essential classroom items. By providing supplies such as pencils, notebooks, art materials, and tissues, we help create a nurturing and well-equipped learning environment for students and teachers alike.

#### Steps to Accomplish Ministry Goals

- Form a ministry team to coordinate the donation effort.
- Contact the local school to identify specific classroom needs.
- Create a list of needed items such as pencils, notebooks, art supplies, tissues, etc.
- Organize a donation drive within the parish to collect items or funds.
- Purchase any remaining items using collected funds.
- Sort and package the supplies for delivery.
- Schedule a delivery date with the school and arrange transportation.
- Deliver the items and express the parish's support and prayers for the school community.
- Share photos and updates with the parish to encourage continued involvement.
- Plan for future donations based on feedback and ongoing needs.

#### Conclusion

This ministry provides a tangible way to demonstrate Christ's love and care for our neighbors. By supporting education and showing solidarity with local schools, we strengthen our community ties and fulfill our calling to serve others with generosity and compassion.
